

Antonio Ortega Jiménez

I passed the Certificate in Advanced English (CAE) by the University of Cambridge in February 2016. I achieved a score of 194/210, which corresponds to Grade B. This exam proves users have acquired an advanced level that enables them to use the language fluently and accurately. I still haven't been given the official certificate, but my results can be already checked out at <https://candidates.cambridgeenglish.org/Members/Login.aspx?M=None> with **ID Number LGC988079** and **password xUWYevy9W4**.
